Whole School Attendance Policy

Ratified by Governors: March 2018

Whole School Attendance Policy

Member of staff responsible: Assistant Headteacher – Student Support and Development

Date: December 2017

Aims

The school recognises the clear link between the attendance and attainment of students. The aim of this policy is therefore to encourage the highest possible levels of attendance for individuals, groups and the student body as a whole. In order to achieve this, all members of the school community have an important contribution to make.

We will:

- Promote and model a culture across the school which identifies the importance of regular and punctual attendance
- Make attendance and punctuality a priority for all those associated with the school including students, parents, teachers and governors.
- Further develop positive and consistent communication between home and school
- Set targets to improve individual pupil and whole school attendance levels.

Roles and Responsibilities

We will develop a procedural framework to complement this policy that will define agreed roles and responsibilities for:

- Parents and carers
- Students
- School staff
- Governors

The framework will identify how we will deliver our aims in respect of regular and punctual attendance. This procedural framework will include guidance on:

- Registration
- What constitutes unauthorised absence
- Consistent use of codes for authorised absence
- Leave of Absence requests

- Systems for monitoring attendance and punctuality for individual students
- Systems for dealing with absence
- Systems for reintegrating students who have been absent
- Systems for monitoring whole school attendance and action planning
- Appropriate alternative curricular arrangements

Leave of Absence

Any requests for leave of absence will be strongly discouraged. Requests for absence will be declined unless the parents/carers are able to demonstrate exceptional circumstances.

Use of Penalty Notices

School may request that the Local Authority issue Penalty Notices in respect of unauthorised absence. The circumstances under which such requests will be considered will be set out in the procedural framework on attendance.

Working in Partnership

School will work with the Local Authority and support agencies as appropriate to ensure regular attendance at school. The criteria for referral and areas of responsibility for staff will be set out in the procedural framework on attendance.

Monitoring, Analysis, Action Planning

School will adopt systems for monitoring attendance at both individual, student and whole school level, and will analyse patterns and trends of non-attendance to inform future action planning and target setting in respect of whole school attendance matters.

Linked Policies

- Safeguarding/Child Protection Policy
- Anti-Bullying Policy

Procedures

Registration

The Assistant Headteacher (Student Support and Development) through Progress Leaders should ensure that staff responsible for marking registers are aware of the codes to be used and that registers are marked accurately and consistently.

- Registration periods take place twice a day at 8.40 am and 12.50 pm
- The formal close of registration for morning registration is 9.30 am
- If students arrive after registration has closed they are marked as U (absent for the full session)
- If a pupil needs to leave school during the day they must sign out at reception, providing staff with a note from parents, which must be countersigned by their Progress Leader or Form Tutor
- There is an answer-phone facility available for parents to leave messages regarding their children's attendance
- Any such messages received by school are logged, with the time, date and reason for absence noted
- The Attendance Officer and Assistant Headteacher (Student Support and Development) are authorised to amend absence codes
- Where students are dual registered, are on voluntary service or are taking part in other approved educational activities, the register will be amended following regular discussion and information sharing with the other establishment
- Consistency of use of codes, and acceptable reasons for absence across the whole school will be monitored as part of ongoing attendance data evaluation (see Monitoring and Analysis section)
- It may occasionally be necessary to inform parents that no further absences will be authorised for a particular pupil unless medical evidence is provided. This decision can only be made by the Assistant Headteacher (Student Support and Development) in conjunction with the Progress Leader / Attendance Officer, and must be communicated to parents in a letter giving reasons for the decision

Leave of Absence

- Any changes to the school's policy on leave of absence will be made known to parents via the curriculum booklet that is provided to students at the start of the academic year. Parents may request a copy of this attendance policy for more specific information. Changes will also be published on the school website
- Parents are strongly discouraged from taking their children out of school, for any reason, during term time

- All requests for leave of absence will be declined unless parents can evidence **exceptional** circumstances
- Requests for leave of absence during exam times will not be authorised
- Parents must apply for leave of absence using the school's application form which can be requested from the school office or downloaded from the school website
- If a pupil fails to return from an agreed period of absence, investigations will be made by staff (telephone calls by Progress Leader/Attendance Officer)
- If school investigations fail to make contact with the parents/student the case will be referred to the Children Missing Education Team who may, after further investigation, inform school that the pupil may be removed from roll. Police welfare checks may also be requested.
- Penalty Notices will be used in cases where an application for leave of absence is refused and the pupil is subsequently absent during the dates originally requested. Parents will be warned of potential consequences when an application for leave of absence is declined and this may also include removal from the school roll if the student is absent for more than 10 sessions (5 school days)
- Penalty Notices will be used in cases where a pupil is absent without a request for leave of absence being submitted, and where the school is satisfied, after investigation, that the pupil is on an unauthorised holiday.
- Where attendance falls below 80% parents may be prosecuted.

Attendance Contracts

The Anti-Social Behaviour Act 2003 makes provision for the use of Contracts where attendance is a cause for concern. The school may choose to initiate such contracts following the case being discussed at the Attendance Panel and agreed by the Senior Attendance Lead.

Attendance contracts will not typically be used the first time a pupil and their parents are invited to attend an attendance panel. In serious cases where all previous targets have failed, parenting contracts may be used as a precursor to prosecution, and used as a method of gathering evidence of parent's failure to improve their child's attendance.

- Each individual contract will identify areas of concern and set specific targets to be met by students, parents and the school
- Each contract will typically last six school weeks
- Following this period the contract will be reviewed and a new contract issued if necessary
- Attendance contracts are voluntary, although parents will be encouraged to accept them. Where contracts are refused, it may be necessary for school to make a request to the Authority's legal team for prosecution
- Where contracts are successful a letter of acknowledgement will be sent and new targets set to continue the improvement
- Where contracts are unsuccessful they will be reviewed and a new contract may be issued or school may decide to make a request for prosecution

Penalty Notices

The school may seek to use Penalty Notices in the following cases:

- Following an Attendance Panel where parents have been warned in writing of the school's intention to use a penalty notice
- Where an application for leave of absence has been refused and the pupil is subsequently absent during the requested dates
- Where an application for leave of absence has not been submitted but the pupil is absent and the school is satisfied, following investigation, that the pupil is on an unauthorised holiday
- Students failing to return after an authorised leave of absence
- Students who are persistently late after registration has closed

Systems for dealing with attendance issues

Lateness

The school has clearly defined systems for identifying students whose punctuality is a cause for concern and for implementing work with those students.

- Students arriving late to school are met by the Attendance Officer who signs them in and discusses with them the reason for their lateness. If students do not have a valid reason they will receive a lunch detention for 15 minutes
- Progress Leaders will discuss the effects of persistent lateness with students and parents as necessary
- Where persistent lateness is a serious problem (students receiving 5 late marks in one half term) the Progress Leader will convene a meeting with parents and students
- Students will be placed on a punctuality Student Support Plan to be monitored by the Form Tutor and parents daily, and reviewed by the Progress Leader.

Absences

The school has clearly defined systems for identifying students whose attendance is a cause for concern, and for implementing work with those students.

Monitoring, analysis, evaluation and Action Planning

The Assistant Headteacher (Student Support and Development) has responsibility for monitoring whole school attendance and evaluating the effectiveness of the school's policy and procedures.

- Data on attendance will be collected and analysed a minimum of once a half term throughout the year by Progress Leaders and SLT and daily by the Attendance Officer for:
 - Patterns of broken weeks
 - Patterns of absence
 - Patterns of lateness
 - Patterns of medical appointments
- Regular checks will be made to ensure correct and consistent use of absence codes across the school and that staff uphold the legal requirement of taking the register
- Trends in reasons for absence will be analysed termly
 - Extended medical leave
 - Use of the code C
 - Leave of absence
 - Exclusions

- Trends in particular groups (SEN, CLA, FSM, ethnic groups, gender), forms or years will be identified half termly
- Attendance data will inform action planning, and will be linked to the school development plan and future revisions of the Whole School Attendance Policy
- Data will be returned promptly to the Local Authority and the Department for Education within set deadlines
- Evaluation of the effectiveness of the school's systems for registration, identification of attendance issues and dealing with lateness will be on-going with a formal review taking place annually
- Monitor and evaluate the impact of interventions half termly
- Frequency and nature of feedback re analysis of attendance data to:
 - Governors – termly
 - Students – on-going/half term
 - Staff – on-going/half-term
