Ratified by Governing Body: March 2020

Freedom of Information Policy

Date of Review : Governing Body free to determine or when there is a change in the law

Member of staff with overall responsibility: Headteacher

Governing Body Sub-Committee with reviewing responsibility: Finance and Resources

The governing body is responsible for maintenance of this scheme.

1. The Freedom of Information Act and the School's Responsibilities

Under the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document), public authorities, including all maintained schools, should be clear and proactive about the information they make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form. Some information which we hold may not be made public, for example personal information.

2. Key Aims of this policy

- To provide a broad and balance curriculum which provides pupils with the skills, knowledge and understanding and experience relevant to their future roles in society
- To develop self-discipline and good study habits
- To realise the potential of all individuals

- To foster an ethos which is encouraging, caring and considerate of others and their feelings
- To promote respect for the environment and property of others
- To further partnerships between home, the community and school
- To promote equality of opportunity in all aspects of school life and this publication scheme is a means of showing how we are pursuing these aims

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in the main body of this scheme. The classes of information that we undertake to make available are organised into seven broad topic areas:

- **School Prospectus** – Information published in the school prospectus.
- **Instrument of Governance**
- **Governors' Documents** – Information published in the Governors Annual Report and in other governing body documents.
- **Pupils and Curriculum** – information about policies that relate to pupils and the school curriculum.
- **School policies and other information related to the school** – information about policies that relate to the school in general.
- **Feedback**
- **Complaints**

4. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below.

Tel: 0161 865 2293

Fax: 0161 866 9983

Contact Address: Granby Road, Stretford, Manchester, M32 8JB

To help process your request quickly, please clearly mark any correspondence

“PUBLICATION SCHEME REQUEST” (in CAPITALS please)

If the information you’re looking for isn’t available via the scheme you can still contact the school to ask if we have it.

5. Paying for information

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box. An item is a self-contained document. When information is requested, the School will take account of the costs of locating and retrieving the data if it is not readily accessible/and/or if the request necessitates extracting and collating information from other documents and sources. If that is the case, staff costs will be calculated at a rate of £25.00 per hour. Before commencing the process, the applicant will be informed about the anticipated costs. The information will be provided once the fee has been received.
