Behaviour Policy

Behaviour Policy

Member of staff with overall responsibility: Mrs H.Dolphin

Governing Body Sub-Committee with reviewing responsibility: Student Welfare Committee

Behaviour -Our vision and Values

1. Policy Rationale

1.1 Every student must have the opportunity to achieve success. We believe that students have the right to learn and teachers have the right to teach. It is the responsibility of all to contribute to an environment which encourages this for all.

1.2 High expectations, mutual respect and self-discipline are important. Good behaviour must be the norm and antisocial behaviour must not be tolerated.

1.3 We expect all adults in school to lead by example and seek to challenge and support students in developing appropriate and acceptable behaviour.

2 Rationale for the Behaviour Code

2.1 Good behaviour means that students must be **READY, RESPECTFUL, RESPONSIBLE AND SAFE** at all times and in all places in school and in the care of the school.

2.2 Rules for behaviour must:

- Be built on a whole-school approach to behaviour management
- Be built on statutory requirements
- Create a safe environment for all
- Respect the dignity of the individual
- Create an atmosphere of positive encouragement for all
- Be fair and clear to everyone
- Promote firmness as well as kindness
- Regulate student behaviour through the constant and consistent enforcement of rules by all members of staff
- Promote self-discipline and self-regulation and a proper regard for authority
- Prevent all forms of bullying
- Recognise the rights and responsibilities of parents in dealing with disciplinary issues
- Promote the concept of 'representing the School' by defining behaviour both in and outside school

- Support students in growing into responsible self-disciplined adults who show respect to others

2.3 Rationale for Rewards and Sanctions

Rewards should motivate students to:

- Aim high
- Study hard
- Develop excellent study skills
- Work to the best of their ability
- Produce work of outstanding quality
- Contribute to the school community through participation in extra-curricular events
- Help and support others
- Rewards given should outweigh the number of sanctions given
- Sanctions must be applied consistently and fairly in order to regulate student behaviour and enforce standards
- Behaviour is dependent on many factors and it is not always possible to standardise sanctions relating to behaviour in an absolute manner
- Sanctions must give students the opportunity to reflect on their behaviour and for support to be put in place, where it is needed
- All disruptive behaviour, abusive language and laziness should be addressed when it occurs. If bad behaviour is ignored or tolerated, it will be seen by students as being condoned
- Attempts are made to escalate the sanction in terms of the type of sanction and the person applying it. This is to ensure that the seriousness of the behaviour is communicated whilst giving students the opportunity to reform their behaviour
- Sanctions should not be degrading or humiliating

2. Rationale into how we investigate incidents of poor behaviour.

4.1 Enquiries will be conducted within the context of:

- 'loco parentis' (not as a legal enquiry). i.e. conclusions may be reached upon an assessment of the whole situation and a knowledge of the students involved and not necessarily upon absolute proof
- the amount of time given to the enquiry;
- balancing probability when absolute proof is not possible;
- assessing the relative reliability of witnesses on the probability of them telling the truth or not;
- the consistent application of policies

3. Students with a Disability

5.1 Where the misbehaviour of a student is related to a disability, it is expected that reasonable adjustments are made to enable the student to be included in the School community. The safety of all students is paramount.

These include:

- Ensuring the School is committed to making adjustments

- Ensuring that staff are aware of which students have disabilities, the nature of the disability and the potential impact this might have on behaviour
- Ensuring that staff have had training in the nature of the disabilities, and how they should treat students with disabilities
- Ensuring that staff have behaviour management strategies in relation to the student with a disability including guidance from outside agencies, where appropriate

9.2 Sanctions for Behaviour in the Classroom

Level One

- Should students choose to not follow the Behaviour Code in the classroom, teachers employ a range of behaviour management strategies. These include non-verbal gestures, moving to another place in the classroom and should include reference to the Behaviour Code
- Before issuing a sanction at Level One teachers must give a reminder, a caution and a last chance.
- A Level One sanction is a detention of between 15 and 30 minutes.
- The incident must be logged on Class Charts as a referral at Level One. Details of the detention should be shared with the student
- Parents must be informed by phone or email on the day it is issued

Level Two

- Should a student continue to make poor behaviour choices in the classroom, he/she will be sent to work in another classroom and will be issued with a sanction at Level Two
- This is a detention issued by the subject teacher of between 30 and 60 minutes and supersedes the previous detention
- Should a subject teacher issue a sanction at Level Two, parents must be contacted by phone or email on the day it is issued

- The incident must be logged on Class Charts as a referral at Level Two and the detention details logged

Level Three

- Where behaviour choices are still not acceptable, despite teacher reminder, caution and last chance, the student is taken to isolation by the Progress Leader, if he/she is available or a member of SLT. SIMS is used to request this support
- A sanction at Level Three is issued by the Subject Teacher but in addition a student will have a day of internal isolation to allow for restorative work to be carried out. The incident is logged on Class Charts as a referral at Level Three by the Class Teacher. Details of the incident must be recorded. Parents must be informed
- Serious verbal and physical abuse and violence, as well as threatening behaviour has a sanction of at least Level Three depending on the details of the incident. The student is removed from the classroom by a member of SLT or the Progress Leader. The incident has to be logged on Class Charts as a referral at Level Three by the Class Teacher. Details of the incident must be recorded
- Students who continue to make unacceptable behaviour choices in a specific subject area are placed on a Subject Behaviour Support Plan which is monitored by the Curriculum Leader

Level Four

- If a student is issued with sanctions from three curriculum areas or more in a term, a Support Plan is developed for the student by the Progress Leader. This is put in place for a minimum of two weeks. The Progress Leader meets with parents. The Plan identifies action points for the student to improve his/her behaviour as well as support measures. The Plan is available to all staff on Class Charts. The Form Tutor discusses the Plan with the Student a minimum of three times a week. It is reviewed on the date agreed by the Progress Leader and the student, with comments contributed by Subject Teachers, the Form Tutor and Parents. If inappropriate behaviour choices continue, a further Support Plan is produced, monitored and reviewed. The Progress Leader meets weekly with the Student on the second plan. At this level there are 3 cycles of intervention. If a student is on a third plan, he/she will meet weekly with an Assistant Headteacher. From the second plan onwards the student is enrolled on a behaviour course
- If behaviour has not improved after three cycles of intervention, a multi-agency meeting is held with parents and a Multi-Agency Support Plan is put in place
- If poor behaviour choices are considered to be serious, they might be categorised at Level Four and therefore will be sanctioned at this level. All

students who make choices which result in behaviour at this level, will be supported with a Behaviour Support Plan

Level Five

- Where unacceptable behaviour choices are considered to be very serious, the Headteacher will consider whether a fixed term exclusion is an appropriate sanction
- All students who make choices which result in behaviours at this level will be supported by a Behaviour Plan

9.3 Sanctions for Behaviour Outside of the Classroom

- All unacceptable behaviour choices outside of the classroom are taken seriously
- Students will be given the opportunity to modify their behaviour
- When students make poor behaviour choices outside of the classroom, this will result in the loss of free time. The time lost will be dependent on the seriousness of the behaviour and the frequency

Alerting to inappropriate behaviour

- Reminder, Caution, Last Chance. – Opportunities to modify poor behaviour

Level One

- When behaviour choices do not improve outside of lessons, despite intervention by the Staff on duty, students will be expected to spend time out immediately with the member of staff on duty. This should be between 15 and 30 minutes. The member of Staff should log the sanction on Class Charts

Level Two

- Should behaviour choices not improve, free time will be removed during that break or lunchtime and the student will be expected to go inside and will be allocated to a member of Staff on duty inside. This must be logged on Class Charts by the member of staff responding to the behaviour

- Failure to have the card or refusal to show the card results in an automatic detention
- If they do not have the card, students are required to go to the Office to receive a new card. They will be issued with a detention
- Students receive one mark on the card for incorrect uniform and are placed in detention if 3 marks are received or if they do not produce the card when requested
- If a card has been washed they should present the washed or damaged card at the office
- They will not receive a detention in this case, as long as they produce the damaged card or a note from parents
- If they do not have the damaged card or a note, the card will be treated as lost and they will receive a detention
- Where an infringement of the school's Uniform Policy is as a result of that item being lost, damaged or soiled, or as a result of an injury etc. to the student, then parents/carers will be expected to furnish a letter/note explaining this circumstance and the time frame for its replacement
- Jewellery may be confiscated. If it is, it must be logged with the Office and kept in the safe
- A receipt will be issued to the student
- The item will be returned to parents/carers on application to the school or at the end of each half term

- Where a student repeatedly breaches the school's uniform policy, this will be seen as defiance of school rules and the student will be subject to school sanctions. Following DfE advice, these sanctions may include exclusion, depending on the circumstances of the case, even if the student does not otherwise display poor behaviour

9.5 Sanctions for Hair

- Should students not follow the Dress Code in relation to hair, for the first infringement a sanction at Level Two will be issued by the Progress Leader
- Parents will be contacted by letter
- Subsequent infringements in the same year will lead to a sanction at Level Three of a day of internal isolation
- For an inappropriate hairstyle, students will automatically be issued a sanction at Level Three of a day of internal isolation under the supervision of the Progress Leader
- The Progress Leader will contact home and parents advised to rectify the hairstyle if possible

9.6 Sanctions relating to Equipment

- The Form Tutor will check the equipment students have in the morning form period
- When a student does not have the essential equipment of a ruler, pen and pencil, he/she will be provided with the equipment but will lose 10 Choice Points. This will be logged on Class Charts. For repeatedly not being ready to learn, students will be issued with a sanction at Level One

9.7 Sanctions relating to Punctuality

- Late detentions are given for morning lates when students arrive after 8.45am and sign in with the Attendance Officer
- Students late for afternoon registration will be marked in late by the Form Tutor and sent to the School Office to be issued with a lunchtime detention for the following day
- Late detentions are carried out at lunchtime on a rota by Progress Leaders. Stickers are produced by the Attendance Officer
- Pastoral Assistants deliver the late sign in sheet/list of detainees to Progress Leaders who carry out 15 minute detentions at 1.05pm
- Lates to lessons should be monitored by Curriculum Leaders

- Subject teachers should log lates to lessons on SIMs and issue a Level One detention to students
- When a student is persistently late to a subject, the student should be referred to the Curriculum Leader who should monitor them and issue a detention
- Progress Leaders will monitor lateness to lessons when it occurs across three curriculum areas

9.8 Sanctions relating to Mobile Phones

- If a student does not follow the rules relating to mobile phone usage in school, the student's phone is confiscated by the teacher observing the behaviour and taken to the School Office. The student is issued with a sanction at Level One and loses 10 Choice Points
- The student can retrieve the phone at the end of the school day and the Pastoral Assistant contacts home by phone or email to inform parents
- If a student breaks the rules a subsequent time, his/her phone is confiscated by the adult observing the behaviour and is taken to the School Office. The phone is available for collection by the parent/carer of the student the following school day. A sanction at Level Two will be issued by the Progress Leader of 30 minutes. The student loses 20 Choice Points.
- If a student breaks the rule a third time, in relation to mobile phone use, the student is requested to leave his/her phone at the School Office at the start of each day.

9.9 Sanctions related to Smoking

- If a student chooses to smoke whilst under the jurisdiction of the school and or when they might be identified as a student of the school, he/she will be issued with a sanction at Level Three.

- If a student continues to exhibit the same behaviour, he/she will be issued with a sanction at Level Four
- If the same behaviour continues, external exclusion will be considered by the Headteacher

9.10 Sanctions relating to illegal substances and the possession of weapons

- Should a student chose to be involved in instances relating to the possession or consumption of illegal substances or illegal materials, the School will always inform the Police and a sanction will be issued at the discretion of the Headteacher of at least a Level Four

10 The Use of Physical Restraint

- Staff should avoid all use of physical chastisement and the use of physical restraints unless students are in danger of harming themselves or others or causing serious damage to equipment or property. In such cases physical restraint will be kept to the minimum required. If physical restraint is used the incident should be logged and reported immediately to the Headteacher. Full guidelines are in the 'Use of Reasonable Force in Schools' document published by the Department for Education

11 Exclusion

- Only the Headteacher (or the Deputy Headteacher in loco standi) has the power to exclude a student
- It is a serious sanction to invoke against any young person and no students should be told by word of mouth or writing by any other member of staff that they have been or will be excluded.
- There are very clear guidelines regarding exclusion
- Effective liaison with parents, governors, the Local Authority and other outside bodies is essential
- In order for these avenues to be fully explored it is important that effective and full records are kept on any student whose behaviour is such that it may lead to future exclusions
- When a student is excluded they will not be readmitted to School until the seriousness of the matter has been discussed with parents
- Under no circumstances will a student be allowed back into School without specific undertakings from the student and parents
- In cases where exclusion is for more than fifteen days a much more formal involvement of the Governing Body and LA is required
- In these very serious situations it becomes increasingly likely that the exclusion will be made permanent
- When a student is excluded, colleagues are asked to provide work to be done at home. This is a legal requirement
- The work is handed to Reception
